**Guest Speakers**

**Lorie Eichert**

Transformational Coach/Speaker/Past Life Reader

**"Past Lives...a glimpse into your Soul"**

Have you ever got the feeling of "I've been here or done that before" or the strong sense of "don't I know you- seem so familiar"? This could be your past life affecting your present. Join Lorie as she shares why and who we were in a previous lifetime has such a profound impact on who we are today and influences the choices we are making.

**12:00 - 12:30 PM**

**Heidy Dhuyvetter-Gil**

**"Your Past Lives... Regression Hypnosis for healing".**

Have you ever felt a situation feels familiar? Have phobias or simply have disliked someone the moment you met? That's probably a memory from your past life. Join Heidy as she discusses Regression Hypnosis and how your past lives can shape your present and future.

**3:00 - 3:30 PM**

**Danielle Butler**

Psychic Medium

**"Spiritual Awakening"**

Join Psychic Medium Dani Jo for a brief presentation on what a spiritual awakening is. We are all born of the light and have a connection to the Divine. Want to make that connection for yourself in this lifetime? Let Dani Jo enlighten you on this topic!

**1:00 - 1:30 PM**

**Crystal Rasmussen**

Generational Healing®Teacher, Healer and Spiritual Guide

**"Generational Healing®"**

It's time to end the cycle of inherit generational trauma held within the memory of your DNA, by releasing your families generational lineage unhealed trauma. Every ancestor who came before you left their body with unhealed issues and emotional trauma, those issues continue to be played out by their next of kin, you, no matter how far down the line in your lineage they are. These issues can be healed

**4:00 - 4:30 PM**

**Ashley Kerr**

Intuitive Psychic Healer/Holistic Health Practitioner/Master Herbalist

**"Pranayama: The Healing Powers of Your Breath"**

Every breath we take sets up a chain of events that influences EVERY aspect of bodymind function. Life and breath are intimately connected, yet most of us are breathing insufficiently on auto-pilot. Explore how breath awareness aligns psychic passages, brings about calmness, power and clarity of thought. Learn ancient techniques you can utilize to bring your BodyMind into a natural flow state of harmony.

**2:00 - 2:30 PM**

**Up To 30 Vendors!**

**At our events you may find:**

Energy healers, essential oils, spirituality resources, health professionals, intuitive consultants, crystals, stones, CBD, sage & incense, card readers, Authors & book signings, aura photography, healing jewelry, ancestral healing, palm readers, animal communication, healing of the land, psychics, mediums, reiki practitioners, handmade products and more!
