

Chamber of Commerce Business Highlights

The Deadwood Chamber of Commerce is now doing a Business Highlights post 2x a week for our chamber members. Posts will be Sundays and Wednesdays. Two chamber members will be picked at random every week to be highlighted on our Facebook and Instagram pages. (Chamber account ONLY) This is to help promote our member's business and service(s) to the community and any visitors coming to Deadwood.

We will contact highlighted businesses a month in advance. (ex: Businesses highlighted in June will be contacted in May.) This is so we have ample time to receive the questionnaire and media from our members and edit content for the social media posts. We will send you an email with the questionnaire attached informing you of your upcoming highlight. Please have the questionnaire filled out with the attached media emailed to Marianna DeSalvo in Marketing, no later than 2 weeks before your businesses scheduled post date. If we do not receive a reply within a week's time we will also call to remind you. Please note that if we do not receive a reply by the set date, you risk being bumped to the end of the Business Highlight List!

Any new members that join the Deadwood Chamber from hence forth will have their business highlight be their ribbon cutting ceremony. As a result, some weeks will have more than 2 Highlight posts. The Business Highlight list is completely randomized to ensure fairness among our members. All dates have been scheduled in advance and are already set. Requests for certain schedule times/dates will not be accepted in the interest of fairness for ALL members. Thank you for your understanding!

All requirements for content and requested media are outlined at the top and bottom of the attached questionnaire. Please read through carefully! If you have any questions, please feel free to call Marianna DeSalvo at 605-578-1876 ext 107 or email her at marianna@deadwood.org.

Formats accepted for photos & videos are .jpg, .png, .mov, and .mp4.

(Please respond before set deadline as to not be bumped to the end of the business highlight list)
